

Malostranska Beseda Trick Bar (malo-stranz-ka bess – e – dah trik bar)

Address:

Malostranské náměstí 21, 110 00 Praha 1

Website:

<http://www.malostranska-beseda.cz/en/feature/music-and-theatre-club.html>

Well known Prague venue in a recently completely renovated building on one of the main squares in the Malostrana area right at the end of the famous Charles Bridge. The Trick bar is the smaller performance space in this busy complex. The venue is on the second floor and also has it's own bar and foyer area.

Seating

40 seats, partly in rows with some high tables and stools at the rear (the chairs can be re-arranged but this must form part of the 15 minute get-in at either side of your show)

Stage Dimensions

Approx 5m width x 1.5m depth, **raised 20cm**
There is no masking of any kind

Site Lines

Good for standing or sitting performer. Stage is only slightly raised from floor

Access

On second floor, with passenger lift

Dressing Rooms

1 Shared room
Public Toilet

Storage Space

In Dressing room - some overflow space available

Audience Entrance

Audience enters from bar, as does the performer

Sound

The trick bar is also a venue for showing films; however it does have a basic sound set up, suitable for basic acoustic music/vocals

Mixer Omnitronic EM-550 (2 x Mic, 2 x phono/aux. 8 line inputs)

2 x mic (SM58)

Amp PIONEER VSX-1019

Speakers JBL JRX115Mi (with Bose acoustimass 15 for video surround)

Lighting

Very basic, suitable for music and shows which require very general lighting, it is not possible to add specials to this rig.

Lighting control - GLP-scan operator 12

6 x LED par

Projection

Projektor EPSON EH-TW5000

Curtains

The black curtains which run along one side of the room can be opened to allow in daylight

Beseda VideoKaverna

(not to scale)

This plan is only designed to indicate the layout and size of the venue, if you need exact measurements please contact PFF
Lighting is indicative please consult PFF for updated lighting plan
